BISHOP HUNTING AT ST. MARK'S CHURCH

A large congregation greeted the Rt. Rev. George C. Hunting, Episcopal bishop of Nevada, at St. Mark's church last evening, the distinguished churchman arriving from Goldfield yesterday afternoon, in order to administer the rite of confirmation upon several candidates, he also having confirmed five persons in the southern camp.

The bishop selected as his text the 1st and 2nd verses of the 2nd chapter of the Acts of the Apostles, and the discourse was notable for its earnestness, beauty and practicability. A synopsis of the sermon is as follows:

"The last fifty odd days may be classed as the most important within the calendar of the church." In a brief and terse manner the speaker explained the true significance of Good Friday, Easter, Ascension Day and Whit Sunday. Continuing, he said: "We live under a new dispensation, and this is absolutely necessary, as we would not have been contented and happy operating under the old. It was essential that Christ should depart, in order that he leave with us his holy spirit to come among men to guide and comfort them. We live in troublous times and it is often difficult to understand that things are as they are; in God's time, however, everything will be made plain and straight. The kingdom of Christ shall be established on earth, and the gates of hell shall not prevail against it. Some would have us believe that the new testament is not sound theology, but the Lord has said he will give us grace to comprehend its meaning, and it is our duty to make the new testament apply to 20th century ideas. The holy spirit coming into our lives makes us stronger spiritually and stronger in the work we are able to do for the benefit of mankind."

As an offertory duet, Mrs. H. A. Bark and Miss Lennie Wardell sang "Believe Thine Ear" most effectively. At its conclusion the beautiful and impressive rite of confirmation was conferred upon Mrs. Mabel Louise Trevathan, Mrs. E. M. Williams, Miss Miriam Egan and Miss Jeanie Johns, and the bishop earnestly exhorted the candidates that the striking lesson contained in the ceremony of the "laying on of hands" be indelibly impressed upon their daily lives in order that its meaning remain with them for all time.

Bishop Hunting expressed himself as being much gratified at the greeting accorded him and looks well after the numerous missionary visits he is compelled to make throughout the state. He left for his home in Reno this morning.

The rector announced that holy communion will be administered next Sunday at 11 a. m. and 12 the eve of an evening service is held an announcement will be made later.

MEMORIAL DAY IS MR. BAYLESS' THEME

Yesterday's services were well attended. The morning theme was taken from the fortieth chapter of Isaiah and was an exhortation to ascend to the heights and get the larger vision. Words of cheer spoken by the prophet to the Israelites while they were despondent captives by the rivers of Babylon. Their message to us is that no matter how circumstances may seem to be against us, God can make them work for our good.

Mrs. Neth rendered a solo beautifully and the ladies choir gave some excellent music. The evening service was one appropriate for Memorial Day. Features of the music were a beautiful solo by

Mrs. Guenet, a quartet by Mrs. Perkins, Mrs. Messinger, Mr. Woolridge and Mr. Drewier, and the anthem by the choir of twenty voices, not forgetting the splendid accompaniment by the organist, Mrs. Bayless.

WATER FOR TONOPAH TWO DOLLARS MONTH

DECISION HANDED DOWN BY THE NEVADA PUBLIC SERVICE COMMISSION

The public service commission has handed down its decision in case No. 84, entitled Public Service Commission of Nevada vs. Water Company of Tonopah. This case was the result of a consolidation of cases 84, 86, 88, and 89, in which complaints had been filed by numerous residents of Tonopah asking that the defendant company be required to lay mains and furnish water service to their respective residences which were located on Magnolia, California and South streets in Tonopah, says the Carson Appeal.

In its order the commission requires the company to proceed at once to extend its water mains along the above named streets in Tonopah and to extend service pipes from the mains to the property lines of all the petitioners in the proceeding, and further provides that 60 days from the date of the order will be considered as a reasonable time within which to fully comply with the same.

In its opinion, the commission found that the total cost of laying the mains and service pipes would not exceed the sum of \$2,390, while if all the petitioners were given service at the rate of \$2 a month the company would receive a total annual rental of 36 per cent return on the initial investment, using the commission's engineer's figures as a basis, and a return of approximately 30 per cent annually on the basis of the company's own figures, and with very little cost of operation on account of serving the petitioners.

In considering the company's business as a whole, the commission found that on a fair valuation of the property of \$250,000, it was earning 14 per cent net.
